

Safe Schools and School Improvement Plan Template (Elementary)

Overall Goal: Creating a positive school climate that supports a safe learning and teaching environment in which every student can reach his/her academic potential.

Bullying will not be accepted on school property, at school-related activities, on school buses, or in any other circumstances (e.g., online) where engaging in bullying will have a negative impact on the school climate.

School Specific Goal(s): To increase student-reported Sense of Belonging to the Canadian norm (86%), and to increase the rating of Positive Teacher-Student Relations to a score of 8.5 out of 10, from 8.0 (Cdn norm = 7.9).

Needs Assessment (Based on...)	Training Strategies & Resources for School Climate and Bullying (Education Component)	Prevention and Awareness-Raising Strategies for a Positive School Climate and Bullying (Awareness Component)	Intervention and Support Strategies for School Climate Concerns and Bullying (Support & Intervention Component)	Communication and Outreach Strategies regarding School Climate and Bullying	Responsibilities & Actions	Monitoring and Review Process (Include Timelines)

The Safe Schools Team will also review school Emergency Procedures on an annual basis.</p>	<ul style="list-style-type: none"> • Safe Schools Team • TTFM Data (4-8): Sense of Belonging, Bully/Victim and Safety at School • Potential staff survey • Potential parent survey • Suspension data • Number of MEND conversations • Number of MEND circles • Office referrals due to student behaviour • Targeting areas of need based on survey results • Assessing reporting, response, and support • Evidence informed decision making for Education, Awareness, and Outreach

Ministry Definition of Bullying: Bullying means aggressive and typically repeated behaviour by a pupil where (a) the behaviour is intended by the pupil to have the effect of, or the pupil ought to know that the behaviour would be likely to have the effect of, (i) causing harm, fear or distress to another individual, including physical, psychological, social or academic harm, harm to the individual’s reputation or harm to the individual’s property, or (ii) creating a negative environment at a school for another individual, and (b) the behaviour occurs in a context where there is a real or perceived power imbalance between the pupil and the individual based on factors such as size, strength, age, intelligence, peer group power, economic status, social status, religion, ethnic origin, sexual orientation, family circumstances, gender, gender identity, gender expression, race, disability or the receipt of special education. Bullying behaviour can be physical, verbal, written, or social in nature and can occur through the use of technology. Cyberbullying includes (a) creating a web page or blog in which the creator assumes the identity of another person; (b) impersonating another person as the author of content or messages posted on the internet; and (c) communicating material electronically to more than one individual or posting material on a website that may be accessed by one or more individuals.
